OEL KLEEN
Der Spezialist für Ölbindemittel

OEL-KLEEN ABSORBENTS
Snakes OIL ONLY

OIL – WHITE:

property: Hydrophobic, absorbs hydrocarbon-based liquids, water-repellent

Suitable for: Oils, gasoline, diesel, solvents, and petroleum

OEL-KLEEN oil binding hose, white, water-repellent

- The serpentine shape is ideal for containing leaks..

- Perfectly suited for collecting liquids from defective systems or vessels

- A particularly flexible shape thanks to the stretchable cover ensures unrestricted usability, even in hard-to-reach places.

- Indispensable tool for repairs and maintenance

- A special polypropylene filler ensures particularly good absorption capacity. Once absorbed, liquids are reliably bound and can be easily disposed of..

- Absorbs oil- and hydrocarbon-based liquids thanks to its hydrophobic design and repels water

- Floats on water even when saturated

- Perfect for outdoor use, even in the rain, thanks to its water-repellent design

- Reliable absorption of e.g. motor oil, diesel, heating oil, cutting oil, vegetable oil, oil-based solvents, and much more.
